This Agreement is made and entered into in accordance with the provisions of the Railway Labor Act, as amended, by and between Southwest Airlines Co. (hereinafter referred to as the “Company” and/or “Southwest”) and the Transport Workers Union of America, AFL-CIO Local 555 (hereinafter referred to as the “Union”), representing the class and craft of Employees recognized by the Company as Ramp, Operations, Provisioning, and Freight Agents.
ARTICLE ONE
PURPOSE OF AGREEMENT

A. The purpose of this Agreement is, in the mutual interest of the Company, the Union, and the Employees, to provide for the operation of the Company under methods which shall further, to the fullest extent possible, the well-being of Southwest's Customers, the efficiency of operations, and the continuation of employment under reasonable working conditions. It is recognized to be the duty of the Company, the Union, and the Employees to cooperate fully to attain these purposes.

B. No Employee covered by this Agreement shall be interfered with, restrained, coerced, or discriminated against by the Company, its officers or agents, because of membership in, or lawful activity on behalf of, the Union; nor shall the Company, its officers or agents, or the Union, its officers or agents, unlawfully discriminate against any Employee because of race, color, creed, national origin, sex, religion, handicap, age, disability, sexual orientation, gender identity or veteran status.
ARTICLE TWO  
SCOPE OF AGREEMENT

A. **Recognition.** The Union is recognized by the Company as the sole and exclusive bargaining agent for the Employees of the Company based in the United States, its territories and possessions, who comprise the class and craft of Ramp, Operations, Provisioning, and Freight Agents. The Union reserves the right to defend and protect any covered Employee.

B. **Covered Employees.** This Agreement extends to and covers all Employees in the classifications described in Article Five who normally and regularly spend a majority of their work time in the performance of duties described in Article Five. Supervisors are not covered by this Agreement but may continue to perform covered work while on duty, with the understanding that the intent is for a supervisor to assist, direct, train, evaluate agent performance and support the operation by managing and directing the workforce. A supervisor may not replace any covered Employee or cover a scheduled line. A supervisor's schedule may not be altered to prevent payment of overtime to a covered Employee, and a supervisor may not accept an overtime assignment if covered Employees are available for voluntary overtime assignments. When, at management’s discretion and approval, an agent may give away their shift to a supervisor, the following will apply:

1. The agent should, when time permits, make the shift trade available to other covered Employees prior to offering it to a supervisor.

2. Supervisors that enter into a shift trade will be required to perform the work of that covered Employee for the entire shift.

3. When a supervisor is working for an agent they will be the first Employee to be involuntarily extended if the need arises on that shift.

C. **Reasonable Work Rules.** Employees covered by this Agreement shall be governed by all reasonable Company rules and regulations previously or hereafter issued by proper authority of the Company which are not in conflict with the terms and conditions of this Agreement and which have been made available to covered Employees and the Union Office prior to becoming effective.

D. **Management Rights.** The right to manage and direct the work force, subject to the provisions of this Agreement, is vested in and retained by the Company.

E. **New Classification/Jurisdiction.** Any new job classification coming within the scope of the class and craft described in Paragraph A of this Article is recognized as coming within the jurisdiction of the Union and is covered by this Agreement. Such new job classification and the rates of pay for such new job classification shall be negotiated between the Company and the Union. Any disagreements between the Company and the Union with regard to this Agreement shall be subject to Article 20.

F. **Third Party Contracting.** The Company and the Union agree that job security and a stable work environment are important objectives to be maintained. Therefore, the Company agrees that contracting with third parties shall be prohibited if it results in a reduction in force or involuntary furlough. It is the intent of both parties that covered work be done by Southwest Airlines Employees.

1. Should the Company have a need to contract with third parties for the performance of covered work, the Company shall notify the Union of:

   a. The nature of the contract; and

   b. The anticipated length of time the third party work shall be required.

The Company and the Union agree to discuss the time frames in an attempt to
minimize such third party work and return same to covered Employees. No such contracting shall occur when and if adequate facilities are available for the Company's operations, ramp, and/or freight needs.

2. Should the Company have a need to contract with third parties for the performance of covered work at stations where flight activity does not exceed 12 departures per day, the Company shall be entitled to do so. The Company shall notify the Union of:

a. The nature of the contract; and
b. The anticipated length of time the third party work shall be required.

This provision shall not apply to stations in operation as of date of ratification (March 27, 2009).

G. **Freight Facilities.** When and so long as (i) the volume of freight at a station exceeds two hundred thousand (200,000) pounds total of inbound and outbound freight for a four (4) consecutive month period; and (ii) adequate facilities are available, the Company shall establish and maintain a separate bid location for Freight Agents within the Operations Agent classification; provided, however, that freight facilities established as of the effective date of the 2001 Agreement covering Ramp, Operations, Provisioning, and Freight Agents shall not be affected by the volume requirement in clause (i), above. The Company will provide the Union with a monthly report containing each station's total volume of freight handled that month.
ARTICLE THREE
STATUS OF AGREEMENT

A. Ratification. It is expressly understood and agreed that, when this Agreement is accepted by the Company and ratified by the membership of the Union, it shall be binding on both the Company and the Union and shall supersede any and all agreements existing or previously executed between the Company and the Union and/or any other organization representing the Employees covered hereunder.

B. Merger, Purchase, or Acquisition of Another Company. In the event of a merger, purchase, or acquisition by the Company of another company, involving that entire company or a substantial portion of that company, the Union and the Company will meet to discuss the impact of the merger, purchase, or acquisition, if any, upon Union represented Employees. The Company will provide the Union with information concerning the proposed merger, purchase, or acquisition at the earliest practicable time, subject to SEC and other applicable laws and regulations, to allow the Union to prepare for those discussions. No confidential business information shall be disclosed unless the Union agrees to suitable arrangements for protecting the confidentiality and use of such information.

1. The rates of pay, rules, and working conditions contained in this Collective Bargaining Agreement will not be open for collective bargaining in the event of a merger, purchase, or acquisition of another company, nor will the Union or the Company have any obligation to bargain upon changes thereto, except as provided in Article 29.

2. In the event the merger, purchase, or acquisition results in the integration of Ramp, Operations, Provisioning, and/or Freight Agents, the parties agree to maintain sacrosanct the Southwest Ramp, Operations, Provisioning and/or Freight Agent Seniority List existing on the effective date of the merger, purchase or acquisition.

3. The parties agree to submit to final and binding arbitration by an arbitrator from a list approved by the National Mediation Board any disputes not settled in the meetings provided within six (6) months of the effective date of the merger, purchase, or acquisition which involve integration of the Southwest Ramp, Operations, Provisioning and/or Freight Agent Seniority List(s) with the corresponding list(s) of the company being acquired. The costs of the arbitration will be shared equally by the parties, and there shall be only one such arbitration proceeding which will be the sole and exclusive remedy for all such disputes.

C. Merger, Purchase, or Acquisition by Another Company. In the event of a merger, purchase, or acquisition of the Company by another company, the Union and the Company will meet to discuss the impact upon Union represented Employees of the merger, purchase, or acquisition. The Company will provide the Union with information concerning the proposed merger, purchase, or acquisition at the earliest practicable time, subject to SEC and other applicable laws and regulations, to allow the Union to prepare for those discussions. No confidential business information shall be disclosed unless the Union agrees to suitable arrangements for protecting the confidentiality and use of such information.

1. Labor Protection Provisions. In the event of a merger, purchase, or acquisition of the Company by another company in which operational integration of Ramp, Operations, Provisioning, and/or Freight Agents will occur, the integration of the respective Ramp, Operations, Provisioning, and/or Freight Agent groups will be governed by Sections 3 and 13 of Allegheny-Mohawk, 59CAB22 (1972). Such integration shall occur in a fair and equitable manner within thirty-six (36) months of the effective date of the transaction. The Ramp, Operations, Provisioning, and/or Freight Agent groups will remain separate until such time as the seniority lists are integrated in accordance with this paragraph. Additionally, the Company must comply with paragraphs C and C.2 of this Article before any merger, purchase or acquisition by another company can be finalized.
2. **Successorship.** The Company will not bring a single or multi-step successorship transaction to final conclusion unless the successor agrees, in writing, to:

   a. Recognize the Union as the representative of the Employees on the Southwest Ramp, Operations, Provisioning, and/or Freight Agents Seniority List as of the effective date of the transaction consistent with the Railway Labor Act, as amended.

   b. Employ the Employees on the Southwest Ramp, Operations, Provisioning, and/or Freight Agents Seniority List in accordance with the provisions of this Agreement.

   c. Assume and be bound by this Agreement.

D. **Remedies.**

   1. Except as provided in Paragraph B.3 of this Article for resolution of disputes involving integration of seniority lists, the Company and the Union agree to arbitrate on an expedited basis as provided for in Article 20.L.13, any grievance alleging a violation of Paragraphs B and C of this Article, unless otherwise mutually agreed by the Company and the Union. The provisions of the Railway Labor Act shall apply to resolution of any dispute regarding this Article.

   2. Nothing in this Article shall affect any rights and remedies in law or equity as may be available to the parties for enforcement of arbitration awards involving violations of this Article.

E. **Amendments.** Either party may propose in writing to the other party any amendment which it may desire to make to this Agreement. No amendment hereto shall be valid unless in writing and duly and properly executed by the Vice Presidents of Ground Operations and Provisioning and the President of the Union.

F. **Captions.** Any and all captions and/or titles of articles, sections, and/or paragraphs are for convenience of reference purposes only and shall neither add to nor detract from the substance of this Agreement.

ARTICLE SIX
SECTION ONE
HOURS OF SERVICE

A. **Tour of Duty.** Time worked in any tour of duty, including holidays, overtime, and shift trades, shall be considered as work performed on the day during which the Employee's regular shift began.

B. **Meal Period.** A thirty (30) minute meal period, shall be scheduled during the third, fourth, or fifth hour. Should an Employee not be scheduled a meal period during the third, fourth, or fifth hour, he/she will be paid time and one half their hourly rate of pay for the thirty (30) minute meal period and will receive an uninterrupted meal period. Should an Employee not be permitted a meal period at all, he/she will then be paid .5 hours overtime and two (2) hours straight time pay in addition to their regular pay. Eight (8) hours, inclusive of a thirty (30) minute meal period, shall constitute a day's work for those Employees whose regular shift begins between the hours of 6:00 P.M. and 4:00 A.M.

C. **Scheduled Days Off.** Employees, excluding Relief Agents, shall be scheduled for at least two (2) consecutive days off in each of their work weeks. Saturday and Sunday shall be considered as consecutive days off for this purpose.

D. **Work Schedule Bids/Requirements.** Work schedules shall be bid as often as required but shall be bid at least six (6) times per year. Each bid shall be for a minimum period of twenty eight (28) days and shall, where possible, become effective at 0000:01 Sunday morning. Each bid shall indicate the starting and tentative ending dates of the work schedule. Once an Employee’s shift is established, it shall not be changed except in accordance with this provision or Article Seven (Overtime). The ending date of the work schedule may be changed due to an unexpected change in flight activity or because of Employee(s) returning from approved leave(s) of absence. There shall be no re-bid on less than seventy-two (72) hours notice. Employees shall have seven (7) days to bid on either a shift bid or rebid. Nothing in this Agreement shall prevent the Company from assigning shifts and days off to new hire probationary Employees. Probationary Employees shall be considered in training, and shall be assigned shifts and days off, but not used as Relief Agents, during the first thirty (30) days worked of their probation. Thereafter, probationary Employees shall bid shifts and days off according to their seniority on the next scheduled bid. An Employee who returns from an approved leave of absence will, by exercising his seniority, select a shift and days off that his seniority would allow him to hold according to the current shift bid. An Employee may file a permanent shift and day off bid in triplicate. The copies will be distributed to the Company and shop steward, and the Employee will retain one copy. Once on file with the Company, the permanent bid will stand as the Employee’s official bid in the event an Employee fails or is unable to file a bid during the location’s regular bid process. If an Employee wants to change his permanent bid he may do so at any time. All bids on file before the bid closes will be considered. Any Employee who does not have a bid on file will be assigned to a shift and days off after bids are awarded. If more than one Employee is to be assigned, the remaining available shifts and days off will be offered in order of seniority.

E. **Holiday Pay.** An Employee who is excused from work on a designated holiday shall receive a regular day’s pay therefore.

F. **1:00 A.M.-5:00 A.M. Shift.** If a shift is established with a starting hour at or after 1:00 A.M. but before 5:00 A.M., the Employee shall be paid time and one-half of his regular rate of pay for the portion of such shift which falls between such hours.

G. **Posting Shift Assignments.** The regular shift assignments shall be prepared and posted at each location at least seventy-two (72) hours in advance of becoming effective.

H. **Rest Periods.** All Employees shall be granted a fifteen (15) minute rest period for each four (4) hours of a scheduled work shift. Consistent with the requirements of the service, the Company shall make a reasonable effort to schedule rest periods as near as possible to the midpoint of each half of an Employee's shift; however, in no event shall rest periods be scheduled to commence in the first hour of an Employee's shift or in the last hour of an Employee's shift.
I. **Jury Duty.** Employees absent during their normal work day for the purpose of serving as a juror shall be entitled to their regular pay for the number of authorized days off. If the Employee is required to report for jury duty the next morning, the Employee shall not be required to work beyond 10:00 P.M. the night before jury duty, but shall receive pay for the balance of his scheduled shift. Whenever the Employee is released from jury service that lasts four hours or more, he shall be allowed ten (10) hours rest before reporting back to work. An Employee receiving a jury summons shall notify his supervisor immediately and shall provide the supervisor with written proof of time spent on jury duty with actual dates and hours of service. When jury duty extends two full weeks or more, the Employee will be given the option to have his work schedule adjusted during the second and following weeks so that the Employee receives two days off per week. If the Employee takes this option, he will not be eligible for overtime on the adjusted days off. When an Employee is released from jury duty at least two hours prior to the start of his shift, and jury duty lasted less than four hours, the Employee will be required to report to work.

J. **Shift-trades.** The trading of a work shift or day off between employees within the same classification shall be permitted if a request in writing, signed by all of the trading Employees, is submitted to the appropriate station management at least twelve (12) hours in advance of the starting time of the first intended trade, provided the Employees involved are capable, current, and qualified for performing the job functions traded. Requests submitted less than twelve (12) hours prior to the first intended trade are subject to management approval. Employees who trade become responsible to work the shift agreed to as if it were part of their regular shift assignment. No trade can involve more than four (4) persons. Trades involving probationary Employees in their first thirty (30) days worked of service are subject to Company approval.

1. **Approval.** The trading or giving away of a work shift shall be permitted when agreed to by two (2) Employees when the above mentioned requirements have been met, subject to the approval of the Company.

2. **Rate of Pay.** It is expressly understood that in each case of a trade or giveaway, the Company shall pay the Employee who actually performed the work for the hours actually worked at straight time. [Example (1): Agent A works for Agent B during a pay period. In return, Agent B works for Agent A during the same pay period. Result: No changes in pay for either individual. Example (2): Agent A works for Agent B during any pay period of the month and Agent B does not repay the shift trade during that same pay period. Result: Agent A shall receive eight (8) hours additional straight time pay on the check that he receives for that pay period, and Agent B shall receive eight (8) hours less. Agent B can only receive the eight (8) hours straight time pay when he actually works for Agent A on some future date.]

3. **Overtime Exclusion.** No overtime shall be created by a shift trade or give away.

4. **Reporting Requirements.** All trade agreements and shift giveaways must be in writing, signed by all parties involved, and be submitted to station management in order to be considered valid. Shift trades and giveaways of less than a full shift shall be permitted. An Employee who commits to work a shift other than his own shall be required to report on time.

5. **12 Day Rule/Double Rule.** Employees shall not be required to work more than twelve (12) days in a row, nor required to work more than three (3) consecutive double shifts nor permitted to work more than five (5) consecutive double shifts. The Employee off because of giving away of a shift shall be eligible for overtime as out-lined in Article Seven (Overtime) of this Agreement.

6. **Preserving Seniority.** It is understood that the shift/day trade provisions of this Article may not be used to circumvent the awarding of shifts as described in Article Eight (Seniority).

7. **Giveaway/Mandatory.** An Employee required to work an overtime assignment may elect to give away such assignment by means of a shift giveaway upon
verification by the Company. The Employee shall then be classified under Article Seven, Paragraph I, Sub-paragraph 1(e), for any other overtime call out procedures.

K. **10 Hour Rest Rule.** Employees shall not be scheduled regular shift assignments which shall cause Employees to have less than a ten (10) hour rest period between shifts, except as a result of a shift bid change, shift trade, or voluntary overtime assignment. If, due to a mandatory overtime assignment of four (4) hours or more, an Employee receives less than ten (10) hours of rest before his next regular scheduled shift, that Employee will elect one of the following two options:

1. Receive ten (10) hours rest, and be paid at his regular straight time rate for time lost from his regular work shift because of that rest; or

2. Waive the ten (10) hour rest requirement and be paid at the double time rate for all hours worked that were considered part of the ten (10) hour rest period.

L. **Local Agreements.** The provisions of this Article may be changed by local agreement to provide for different work schedules in regards to Section One of this Article (Hours of Service), Article Seven (Overtime), and Article 14 (Vacations).
A. **Coverage.** Where established by the Company, Employees may be assigned to relief duties for the purpose of covering any absence. These shifts shall not have clearly defined work weeks since their work shall vary dependent upon the work week of the Employee whom they are relieving. In order to provide such allowance for days off to such relief personnel, the Relief Agent shall be entitled to a minimum of four (4) days off for each two (2) week period in the specified bid period. Where there is an odd number of weeks in the bid period the Relief Agent shall be entitled to two (2) days off for the odd week in that specified bid period.

B. **Base Shift.** On days on which the Relief Agent cannot be scheduled to a relief assignment, he shall have hours of service and days of rest as established by the Company. Base shifts shall not include Saturdays or Sundays as scheduled days off. Base shifts will be established as A.M. or P.M. shifts and will not be used to cover an absence outside of that designation.

C. **Notification/Changes.** Relief Agents may have their base hours temporarily changed with at least twelve (12) hours notice prior to the start of the new shift assignment. However a Relief Agent will not be required to report to a shift without at least a ten (10) hour rest period.

D. **Bidding.** Relief shifts shall be bid as prescribed in Section One, Paragraph D, of this Article and shall be identified appropriately.

E. **Relief Shifts.** Relief shifts shall be bid separately in 1) Ramp; 2) Provisioning; 3) Operations; and 4) Air Freight. Relief Agents bids shall be designated as A.M. or P.M. shifts. A.M. ARTICLE SEVEN
OVERTIME

A. Computation. For pay purposes, the overtime rate of time and one-half shall be computed on an actual minute basis adjusted to the nearest tenth (1/10) of an hour, with a minimum of three quarters (3/4) hour overtime. If an Employee elects to waive the requirements for the minimum three quarters (3/4) hour overtime, he may do so if approval is obtained from a supervisor. For the purpose of this Article only, it is expressly understood and agreed that a part-time Employee's seniority shall be the date he was placed in the classification in which he is working.

B. Time and One-half. Employees shall be paid an hourly rate of time and one-half for:
   1. First 4 Hours. The first four (4) hours worked either prior to or after an Employee's regular shift.
   2. First 8 Hours. The first eight (8) hours worked on one of the two regularly scheduled days off.

C. Double-time. Employees shall be paid an hourly rate of double time for:
   1. Excess of 8 Hours Overtime. All hours in excess of the first eight (8) hours worked on one of the two regularly scheduled days off each work week.
   2. Second Scheduled Day Off. For all time worked on the second regularly scheduled day off in a work week, if a minimum of four (4) hours overtime on the first day off was also worked.
   3. Excess of 12 Hours. For all time worked in excess of twelve (12) hours in any work day.
   4. For all time worked due to mandatory overtime assignments.

D. Notification. Whenever possible, Employees in a shift shall be given a minimum of two (2) hours notice of overtime. It is specifically understood that no notice shall be necessary whenever normal station operations are jeopardized. The Union and the Company agree that less than two hours notification is not desirable, and the provisions of this Article must be considered when notifying an Employee of an overtime assignment. When it becomes necessary for Employees to work overtime, they shall not have their regular work schedule altered to fill an overtime assignment.

E. Authorization. Overtime shall be worked only by direction of the proper supervisor of the Company, except in cases where normal station operations are jeopardized and where prior authority cannot be obtained.

F. [Intentionally left blank.]

G. Continuous With Overtime. If a known overtime assignment of less than four (4) hours is available, it shall be filled by continuous with overtime (shift extension) as follows:
   1. Posting. A column in the call book (Appendix A) shall be available for an Employee to indicate that he is volunteering to work continuous with overtime. The Employee will indicate either, “B” for before scheduled shift, “A” for after scheduled shift or ”X” for both.
   2. Agreement. When an Employee signs this sheet, it constitutes his agreement to work the overtime.
   3. Seniority. Assignments shall be made to the most senior qualified Employee(s) on the sign up sheet.
   4. Reverse Order. If no one signed up for overtime continuous with the beginning or ending of his shift, assignments shall be made in reverse order of seniority. If
there is an Employee with less seniority who gets off later but can cover a portion of the overtime needed, the more senior Employee shall be released when the more junior Employee becomes available. This "stair stepping" of mandatory overtime shall only be done one time per assignment.

5. **Rest Period.** For continuous service after regular working hours, Employees shall not be required to work more than two (2) hours without being allowed a fifteen (15) minute rest period, or be required to work more than four (4) hours without a paid thirty (30) minute meal period.

H. **Splitting Assignments.** The Company may cover less than a full shift of available overtime, but if a block of four (4) or more consecutive hours is to be covered, the block shall not be split for assignments unless no one is eligible and available in the call book.

I. **Overtime Call Book.** If a known overtime assignment of four (4) hours or more is available, the overtime call book for each bid location shall be utilized. In accordance with Appendix A, to be eligible for this overtime, an Employee must complete and sign the overtime call book in ink, and must initial, in ink, any subsequent deletion or changes. All such changes must be witnessed and initialed by a supervisor. A standard overtime call book shall be used at all stations and offices. Overtime call books shall be posted for a minimum of fourteen (14) days in advance. When an Employee signs the overtime call book, it shall constitute his agreement to work on the day for which he signed, and normal attendance rules shall apply.

1. An Employee who is assigned voluntary overtime and reports ill will be paid sick pay at his regular rate of pay. A maximum of eight (8) hours sick pay will be paid for that day. All attendance rules will apply in accordance with Article 23.

2. **Assignment Order.** Assignments from the overtime call book shall be assigned to qualified Employees in the following descending order:

   a. By scheduling of the senior Employee of that bid location who is on his first day of rest, or who is on his second day of rest and has not worked four (4) or more hours of overtime on his first day of rest. If no such Employee is available, then:

   b. By scheduling of the next senior Employee of that bid location who is on his regular workday and is at work, or has left work. If no such Employee is available, then:

   c. By scheduling of the senior Employee of that bid location who is on his second day of rest and who has worked four (4) or more hours of overtime on his first day of rest. If no such Employee is available, then:

   d. By scheduling of the senior Employee of that bid location who has adjusted his hours because of a shift trade. If no such Employee is available, then:

   e. By scheduling of the senior Employee of that bid location who is on a shift giveaway. If no such Employee is available, then:

   f. By scheduling of the senior Employee of that bid location who is on a freeday. If no such Employee is available, then:

   g. By scheduling of the senior Employee of that bid location who is on vacation. If no such Employee is available, then:

   h. By scheduling of the senior Employee of that bid location who is on an EAD. If no such Employee is available, then:

   i. By scheduling of the senior Employee of that bid location who has completed and signed the overtime call book below the close out line.
3. **Complete Utilization of Call Book.** An Employee who has worked an overtime assignment of four (4) hours or more in his overtime day has fulfilled his obligation to work voluntary overtime for that day, but shall be eligible for further overtime assignments after all other Employees above the close out line in the overtime call book have been utilized.

4. **Closing/Notification.** The overtime call book for the following day shall be closed at 1200 hours of the preceding day or sooner when the station or office closes prior to 1200 hours. The Company shall attempt to assign known overtime assignments within two (2) hours after the overtime call book is closed.

5. **Assignment/Preference.** When completing and signing the overtime call book, Employees shall indicate their preference for either an A.M. or P.M. overtime assignment, or both. Employees who indicate a preference for an A.M. overtime assignment in the overtime call book shall not be called for voluntary overtime assignments beginning at or after 12:00 noon on that date. Employees indicating a preference for P.M. overtime assignments in the overtime call book shall not be called for voluntary overtime assignments beginning before 12:00 noon on that date. When overnight shift(s) are scheduled, the overtime call book will be discussed and will be modified by local agreement in accordance with Article Six, Paragraph L.

6. **Mandatory Assignments.** The Company and the Union agree that mandatory overtime assignments are not in the best interests of either party. To maximize voluntary overtime utilization, the Company must make overtime known to the Employees, and Employees must utilize the overtime call book to the fullest. If a sufficient amount of overtime is not voluntarily obtained or if no one signed the overtime call book, the Company shall require Employees to work the overtime. It shall only be assigned as outlined in Article 7.I.2. a., b., and c. in reverse order of seniority.

   a. However, when an Employee trades or gives away his/her entire shift or any portion of his/her shift, and

   - then cancels or trades back to his/her original shift after initial callout assignments have been made, and
   - the original trade or giveaway made that Employee ineligible for a mandatory callout assignment that he/she would have received, then
   - that Employee will continue to be eligible for assignment as outlined in Article 7.I.2. a, b, and c, in reverse order of seniority, and will be eligible to be given one mandatory assignment when on “d” status during the next seven (7) calendar days.

   b. Employees will only be required to work on one (1) of their regularly scheduled days off. However, in the event of an emergency situation and the Employee is mandated to work both scheduled days off, the Employee will be paid for the second scheduled day off at the applicable overtime rate plus an additional one half (1/2) time at his regular rate for all hours worked during the overtime assignment.

7. **Recall.** Employees recalled to work shall be paid a minimum of four (4) hours at the applicable overtime rate.

8. **Vacation Status.** Employees who volunteer to work while on vacation shall be paid at the rate of time and one half for the first eight hours of all vacation days worked, and double-time for all hours in excess of eight hours in one day. Standard overtime rates and guidelines apply on days off prior to and immediately following vacation days.

9. **Standard Overtime Call Book.** (Appendix A). (Revise)
J. **Freight.** Where separate freight bid locations are maintained, an overtime call book shall be maintained in each bid location within the Operations/Freight location. Overtime within a bid location shall be filled first from within the bid location if Employees within that bid location have signed the call book. If no one within the bid location has signed the call book, overtime shall be awarded from the call book at the other bid location to Employees who are qualified and current for the position for which overtime is required. The determination of qualification and the currency necessary to be eligible for overtime in a bid location shall be at the sole discretion of the Company. If no one signs the call book at either bid location, the overtime shall be assigned to the junior available Employee within the bid location, as outlined in Article 7.1.2. a., b., and c.

K. **Overtime Sheets/Unsigned.** Any Employee who has not signed the overtime call book shall have no rights under the grievance procedure (Article Twenty) in case of a dispute as to voluntary overtime.

L. **Charters.** A column in the call book (Appendix A) shall be available for an Employee to indicate a preference to work charter overtime. Employees will be ineligible for one-day charters if the charter is scheduled to overlap an employee’s scheduled hours. For two-day charters, overlaps are permitted on the 2nd day. Overtime compensation for Charters shall be as follows:

1. **One-Day.** Agent shall be paid the applicable rate beginning one hour prior to charter, deadhead, or ferry flight departure, until thirty (30) minutes after the arrival at the agent's base station.

2. **Two-Day.** Agents shall be paid the applicable rate for activities associated with a charter on the first day. If call out, a minimum of four (4) hours shall be paid. Agents shall be paid the hourly rest period rate of three (3) dollars an hour for an eight (8) hour rest period. The rest period shall begin thirty (30) minutes after termination of the first day of charter operation. If the rest period extends beyond the eight (8) hours, the agent shall be paid the applicable overtime rate for all hours of the second day. If the rest period does not extend beyond eight hours, the applicable overtime rate shall resume one hour prior to the first departure of the second day and continue until thirty (30) minutes past the agent's arrival at his base station. When applicable, the Employee shall be considered on deadhead positive space status when returning to base station.

3. **Expenses.** Employees shall receive $35.00 per day while on charters. A single hotel room shall be provided at the Company's expense during the rest period mentioned above.
ARTICLE EIGHT
SENIORITY

A. **Company Seniority.** Company seniority shall be defined as an Employee's continuous length of service with the Company and shall determine length of vacation, if any.

B. **Classifications Seniority.** For any other purposes, classification seniority shall govern and shall be defined as the length of service for which an Employee receives credit in any of the classifications listed below, accruing from the date of entering such classification. The classifications to be recognized for seniority purposes are:

1. Ramp/Provisioning Agents; and
2. Operations/Freight Agents.

Each classification shall be divided into two (2) job titles. The Ramp/Provisioning Agent Classification shall contain the following job titles:

1. Ramp Agent; and
2. Provisioning Agent.

The Operations/Freight Agent Classification shall contain the following job titles:

1. Operations Agent; and
2. Freight Agent.

Furthermore, effective June 14, 2001, Employees under the scope of this Agreement will begin to accrue seniority within both classifications (“R/O Seniority”).

Classification seniority shall determine:

1. Choice of vacation (within a job title);
2. Shift assignments including days off (within a job title);
3. Reduction in force; and
4. Filling of vacancies within a classification.

Notwithstanding the provisions of the preceding paragraph, where a station has nine (9) agents or less in Operations and Freight combined, choice of vacation assignments shall be determined by classification seniority within the Operations/Freight classification. Stations with nine (9) agents or less combined that currently choose vacations separately shall continue to do so (e.g. Amarillo, Harlingen, and Indianapolis), unless there is a significant reduction in flight activity at such station, in which case the Company and the Union will meet to discuss in good faith whether such procedure should be changed. Any other deviation from this policy will be permitted only by a local agreement, as provided for in Article 6.

C. 1. Company seniority shall begin from the date placed on the payroll as an Employee, and in the event that two (2) or more Employees have the same seniority date, the older Employee will appear first on the seniority list.

2. Effective upon the ratification of this Agreement, Employees entering a classification on the same date will appear on the seniority list in the following order:

   a) Employees with Company seniority within a classification covered by this Agreement, in the order of length of seniority in such classification;
   b) Employees with other Company seniority, in the order of length of Company seniority;
   c) Employees with no prior Company seniority.

Nothing contained herein shall alter the existing seniority position of Employees in either classification covered by this Agreement upon the date of ratification of this Agreement.
D. **Seniority List.** Seniority lists shall be compiled as of January 1 and July 1 of each year, and be published, by posting, by January 15 and July 15 of each year. A copy of the seniority list shall be furnished to the Union Office on or before the posting date. Seniority lists are established for the following classifications:

1. Ramp/Provisioning Agents; and
2. Operations/Freight Agents.

NOTE: Seniority lists shall also contain R/O Seniority established on June 14, 2001.

E. **Corrections to Seniority List.** Employees shall have fifteen (15) days after the publication date of the seniority list to protest any omission or incorrect position affecting their seniority.

F. **Termination.** Any Employee whose employment terminates shall forfeit his seniority rights.

G. **Probation.** All new Employees shall serve a probation period of one hundred eighty (180) calendar days. During this period, a new Employee has an opportunity to demonstrate his qualifications and ability to adapt to Company policies and procedures. The probation period affords the Company an opportunity to evaluate the Employee's qualifications and ability to perform tasks assigned. Probationary Employees shall bid for shifts under the provisions of Article Six, Section One, Paragraph D, and exercise the use of shift trades and giveaways under the provisions of Article Six, Section One, Paragraph J, after the completion of the first thirty (30) days worked of their probationary period. Trades involving Probationary Employees in their first thirty (30) days of service worked are subject to Company approval.

Sick leave shall accrue but may not be taken during the first thirty (30) days of an Employee’s probation period. In the event a Probationary Employee is granted a leave of absence for any reason, the probation period shall be extended by the number of calendar days equal to the period of the leave.

H. **Loss of Seniority.** Employees shall lose their seniority status and their names shall be removed from the seniority lists under the following conditions:

1. They quit or resign;
2. They are discharged for just cause;
3. They are absent without calling in for three (3) consecutive days;
4. They do not inform the Company in writing or by telegram of their intent to return to service within seven (7) days following the Company's sending notice of recall from furlough;
5. They do not return to service on the date specified in a notice of recall from furlough;
6. They transfer to another position or department in the Company not covered under the scope of this Agreement;
7. They are furloughed and not recalled to service with the Company within five (5) years from date of furlough; or
8. They are on medical leave of absence in excess of thirty six (36) consecutive months.

Nothing contained in this Paragraph shall prevent the Company and the Union from mutually agreeing to waive the requirements imposed by it.

I. **Promotion/Transfer.** Employees promoted to a supervisory position or who transfer from one classification to another shall retain seniority in the classification from which they were promoted or transferred but shall not continue to accrue seniority. Employees while occupying supervisory positions shall not be considered as working under the terms of this Agreement for the purpose of accruing seniority.
ARTICLE NINE
TRAINING

A. **Rate of Pay.** The Company shall make every reasonable effort to schedule Employees to attend training classes during their regular shift; however, any time spent in working, training, badging, or traveling, over and above the regular shift, shall be considered overtime and shall be paid at the applicable overtime rate.

B. **Day off Status.** An Employee required by the Company to attend classes on the Employee's day or days off shall be paid for the day or days at the applicable overtime rate.

C. **Expenses.** When an Employee is away from his base station on Company business the Company shall defray the Employee's reasonable and actual expenses covering meals (not to exceed 35.00 per day), lodging, tips, laundry and transportation. Expenses must be properly substantiated by receipts.

D. **New Equipment.** When any new type of equipment is put into service by the Company, and an Employee is required to operate such equipment as a part of such Employee's duties, the Employee shall be given an opportunity to become familiar with such new equipment. The Company shall insure that Employees are adequately trained before being required to operate such equipment.
ARTICLE TEN
PART-TIME EMPLOYEES

A. **Company Rights.** Notwithstanding any other section or language contained herein, the Company may, at its option, employ part-time Employees at all stations in all classifications covered by this Agreement. Nothing contained in this Article shall prevent the Company and the Union from mutually agreeing to waive the requirements imposed by it.

B. **Furloughed/Displaced.** No full-time Employee shall be furloughed or displaced with a part-time Employee.

C. **Percentage Limits.** The number of part-time Employees in the system within a classification covered by this Agreement shall not exceed ten percent (10%) of any classification. In addition, stations employing twenty (20) or fewer Employees covered by this Agreement may not schedule more than twenty percent (20%) of any classification as part-time Employees. Those stations employing more than twenty (20) Employees may not schedule more than fifteen percent (15%) of any classification as part-time agents. In calculating percentages, the Company shall round to the nearest whole number, but, in any event, each classification within a station shall be entitled to at least one (1) part-time Employee.

1. **Compliance.** In complying with the percentages, the Company shall not be required to upgrade any part-time Employee until a vacancy or conversion of a pay shift to a full-time shift occurs within that department.

2. **Non-Compliance.** At any time that a department is not in compliance with the required percentages, no part-time vacancy shall be filled.

D. **Scheduled/Minimum.** Employees classified as part-time shall be scheduled a minimum of four (4) consecutive hours in a day and not more than five (5) consecutive days in a work week.

E. **Scheduled/Maximum.** An Employee classified as part-time shall not be scheduled to work more than thirty (30) hours in a work week (exclusive of meal periods) and shall be paid the applicable overtime rate for any time worked in excess of his scheduled hours in a day.

F. **Benefits.** Part-time Employees shall participate in the profit sharing and 401(k) plans. Part-time Employees shall receive individual coverage under any Plan Option contained in the Company's "Benefits Plus Plan" as if their status was full-time. The "Benefits Plus Plan" coverage shall be individual coverage only, with no initial coverage for other family members. After six (6) months of Company seniority, the part-time Employee may purchase coverage for eligible family members at the actuarial cost to Southwest of providing such coverage. Such cost shall be borne 100% by the Employee. Full-time Employees who become part-time Employees after the date of ratification of this Agreement who are covered under the Company's "Regular" medical plan shall retain the individual coverage under such "Regular" plan until the Company's next open enrollment election period. Coverage for eligible family members may be continued during this interim period provided the Employee pays the actuarial cost for such coverage. Part-time Employees enrolled in the Company's "Regular" medical plan as of the date this Agreement is ratified may continue such enrollment for so long as such Employee remains a part-time Employee.

G. **Uniforms.** Uniform requirements for part-time Employees shall be the same as for full-time Employees.

H. **Vacation Pay.** Part-time Employees shall be the same as full-time Employees to the extent that they shall be relieved from duty for the vacation period from a part-time work schedule as opposed to a full-time work schedule.

I. **Bidding.** Part-time Employees shall bid shifts by classification separate from full-time Employees of the same classification.
J. **Bidding Vacation/Freedays.** Part-time Employees shall bid vacation and day free of the Company by classification seniority along with full-time Employees of that classification.

K. **Upgrade Restrictions.** A part-time probationary Employee may bid a full-time vacancy in his classification at his location at any time and may bid a full-time vacancy in his classification at any location after ninety (90) calendar days.

L. **Adjusted Seniority.** When a part-time Employee bids a full-time position, the Employee shall be granted bidding and classification seniority equal to seventy-five percent (75%) of the Employee’s time from date of hire in such part-time classification.

M. **Furloughs.** Part-time Employees shall be furloughed at a station or facility before any full-time Employee at that station in that same classification is affected by such furlough.

N. **Moving Expenses.** The moving expenses article (Article Twenty-One) shall apply to part-time vacancies.

O. **Sick Leave.** Sick leave shall be accumulated in accordance with Article Thirteen, Section One.
ARTICLE ELEVEN
FILLING OF VACANCIES

A. **Permanent Bid File.** Vacancies in all Ramp, Provisioning, Operations and Operations (Air Freight) positions shall be filled from the permanent bid file in the office of the appropriate department head. When a vacancy occurs, the senior Employee in that classification who has a bid on file shall be offered the opportunity to transfer. All permanent bids shall be in writing. An Employee who accepts a lateral transfer as the result of his bid or who, more than 24 hours after being notified of an award, refuses to accept a transfer for which he bid, shall not be eligible for a vacancy, other than a new station vacancy, for a period of six (6) months from the time of his assignment or refusal and shall have all other bids on file at the time voided. If any Employee elects to have their bid removed they must submit their request.

B. **Bids on File.** All bids must be on file on the date that the vacancy is approved.

C. **Submission of Bids.** All bids on file shall be discarded each December 31st, and interested bidders may re-submit any bid they desire. Any bids received during December shall be considered valid for the following year.

D. **Travel Leave.** An Employee transferring from one city to another shall be allowed, after awarding of the bid, one (1) unpaid day of leave, plus an additional one (1) unpaid day for each five hundred (500) miles, or portion thereof, by the most direct AAA highway mileage between the two cities, to report to his new assignment.

1. Travel days to a new station/department opening will be paid at the regular rate of pay for 8 hours per day, based on one (1) day of leave, plus an additional one (1) day for each five hundred (500) miles or portion thereof, by the most direct AAA highway mileage between the two cities, to report to his new assignment.

E. **New Stations/New Departments.** Bids for all positions at newly established stations/departments shall be advertised far enough in advance to allow interested persons time to submit bids. To be eligible to bid, the Employee must be below the Final Warning stage of Article Twenty-Three. Moving expenses shall be handled in accordance with Article Twenty-One. Employees will bid shifts in accordance with Article 6 for opening day. From the report date to the day prior to opening, Employees will be assigned a temporary schedule by seniority.

F. **Lateral Transfers.** Vacancies within a classification shall be filled by the senior bidder, according to classification seniority.

G. **Other Vacancies.** When there are no bids within the classification for a lateral transfer to fill a vacancy, the position will be filled in accordance with Company policy by qualified applicants. When qualified applicants include Employees from within the scope of this Agreement, those Employees will be interviewed and will be given preferential consideration over applicants from outside the scope of this Agreement. Any selection which includes applicants from outside the scope of the Agreement is subject to review through the grievance process.
ARTICLE TWELVE
LEAVES OF ABSENCE

A. Approval/Refusal. When requirements of service permit, any permanent Employee hereunder may, upon proper written application, and with approval of the Company, be granted a leave of absence or extension of leave. Such approval or refusal shall not be subject to review by a System Board of Adjustment.

B. Gainful Employment. Any Employee hereunder on leave of absence engaging in gainful employment without prior written permission from the Company may be terminated.

C. Approved Leaves of Absence.

1. Personal Leaves of Absence -- An Employee, upon proper application and with the approval of the Company, may be granted a leave of absence not to exceed ninety (90) calendar days for reasons other than illness, injury, temporary disability, or military leave. An Employee granted a personal leave of absence shall continue to accrue seniority for thirty (30) days of such leave. Thereafter, the Employee shall retain, but not accrue, seniority for pay, sick leave, or vacation accrual purposes.

2. Medical Leave of Absence (including maternity) -- Leave of absence will be granted on account of sickness, non-occupational injury or pregnancy upon written verification of disability from a qualified medical doctor. The Employee requiring an extension of a medical leave of absence must submit an extension request stating the period of extension requested which must be supported by a doctor’s statement specifying the need for an extension. Accrued sick pay may be taken at the option of the Employee during a medical leave of absence. The Company will continue health insurance coverage to the Employee for up to one hundred twenty (120) days from the Employee’s last paid day, during which time the Employee shall be responsible for paying any premium the Employee was paying while in active service. Coverage after one hundred twenty (120) days will be available under COBRA at the full applicable COBRA premium. An Employee on medical leave shall continue to accrue seniority for all purposes for one hundred eighty (180) days from the last day paid, for purposes of pay, sick leave, and vacation accrual, provided that the Employee may not take sick leave or vacation accrued during the period of the leave until after the Employee returns to active service. Thereafter, the Employee shall not accrue seniority for pay, sick leave, or vacation accrual purposes. If the Employee has not returned to duty by the end of a thirty-six (36) month period, the Employee shall be automatically terminated from employment and all seniority rights forfeited. The Company reserves the right to require an examination by a doctor of the Company’s choosing, at any time, at the Company’s expense.

3. Military Leave -- Leave of absence shall be granted to Employees who enlist in the military service. Such Employee shall retain and continue to accrue seniority for pay and all benefit purposes. Duration of the leave and re-employment rights shall be handled in accordance with applicable federal law.

4. OJI Leave -- OJI Leave shall be granted to Employees in accordance with Article Thirteen, Section Two.

5. Union Employment Leave -- Union Employment Leave shall be granted to Employees in accordance with paragraph E G, below.

D. Return From Leave. An Employee hereunder returning from an authorized leave of absence or extension thereof shall be returned to the job held when the leave was granted, unless an Employee with more seniority holds the job as a result of exercising displacement rights or unless the job no longer exists. In either case, he may exercise his seniority rights as set forth in this Agreement. An Employee returning from a leave of absence must give written notice of return to the Company prior to his return.
E. **Restricted Duty.** An Employee will be granted one (1) to eight (8) weeks of continuous restricted duty assignment contiguous with a leave due to an illness, non-occupational injury or pregnancy upon written notice from a qualified doctor. Restricted duty will be applied as follows:

1. **Assignments.** Because each injury/illness/pregnancy will have unique limitations, requests for assignments to restricted duty will be reviewed on an individual basis and made in accordance with written orders from a qualified doctor. An Employee on restricted duty may not perform work covered by another collective bargaining agreement, or perform work covered by this agreement outside of their job title. ARTICLE THIRTEEN
SICK AND OCCUPATIONAL INJURY PAY

SECTION ONE
SICK PAY PLAN

A. **Accumulation.** Employees are protected by a sick pay plan provided by the Company. Sick pay is used only in instances of actual illness or non-occupational injury which prevents the Employee from performing his assigned duties. Sick pay is accrued at the rate of (i) eight (8.0) hours sick pay for full-time Employees and (ii) six (6.0) hours sick pay for part-time Employees for each calendar month worked or majority fraction thereof. Sick pay begins accumulating on the date of employment but cannot be used until the Employee has completed thirty (30) days of his probationary period. The Employee shall accrue sick pay to a maximum of two thousand four hundred hours. All Employee's accrued sick days or any part thereof may be used in the event of a prolonged illness.

B. **Charges Against Account.** Charges against sick pay credit shall be made only for those days on which an Employee is scheduled to work, including days scheduled as a result of shift trades or voluntary overtime assignments as stated in Article 7.I.1. The maximum for which an Employee shall be paid is one shift on any day. Normal attendance rules shall apply.

C. **Compensation.** Sick pay compensation shall be paid by the Company in an amount equal to the Employee's base rate which would normally have been earned during the period for which sick pay allowance is approved, except that sick pay compensation shall not be paid during the Employee's first regularly scheduled work day of such absence unless the Employee has twelve (12) days or more of accrued sick pay to his credit. In order to receive sick pay for more than three (3) consecutive days, an Employee must substantiate his absence with a doctor's certificate.

D. **Unpaid Absences.** Appointments for routine dental care, eye examination, periodic physical examination, etc. are expressly excluded from sick pay coverage and shall be treated as unpaid absences.

E. **Outside Employment.** The Company shall not be obligated to grant sick leave or sick pay for any incapacity which has been due to employment of the Employee by a firm or person other than the Company.

F. **Unused Sick Pay.** All unused credit and accumulated sick pay shall be automatically canceled when an Employee's service with the Company terminates, provided, however, that, upon retirement in good standing from the Company by an Employee may trade his accumulated sick pay for medical coverage as provided in Article Twenty-Six of this Agreement.
SECTION TWO
OCCUPATIONAL INJURY PAY

A. Verification. Occupational injury pay and required time off shall be granted on account of occupational injury upon written verification of disability from a qualified medical doctor.

B. Salary Continuation. The Company shall make up the difference between the amount paid by Worker's Compensation and the amount the Employee would have earned if he had worked a regular shift. Payments under this article shall commence upon a determination by the Company, its insurer, or an appropriate governmental body or court, through a final non-appealable order, that the claim for occupational injury is compensable under the applicable Worker's Compensation law, or alternative program adopted in lieu of Worker's Compensation. Until the claim has been deemed compensable under the applicable Worker's Compensation law and a definite rate has been established, the Employee shall be paid his normal base pay on each regular pay day. Unless, and to the extent, limited by applicable law, the Company may include the indemnity benefit payment due to the Employee pursuant to applicable law in the payment of salary continuation. To the extent, if any, that such inclusion results in excess withholding from such salary continuation, the Company shall remit such excess to the Employee after such excess is determined.

C. Company/Examination. The Company may, at its expense, require the injured Employee to submit to a physical examination by a qualified medical doctor of the Company's choosing at any time. Using OJI leave or OJI pay for a purpose other than that intended constitutes abuse and shall warrant immediate termination.

D. Neutral/Physical Exam. In case of conflict between the Company doctor's and the Employee's personal doctor's examinations, the Employee shall have the right to an examination by a qualified medical doctor agreed upon by the Union and the Company. The maximum cost of such examination shall be set by the Union and the Company, and the costs shall be borne equally by the Employee and the Company.

E. Termination of Salary Continuation. Payments by the Company under this Section may be terminated if the Employee refuses to submit to the physical examination required by Paragraphs C or D, above, fails to comply with prescribed treatment, or if the Employee is found fit to work,

F. Utilization. In any event, payments under this policy shall terminate at the end of twelve (12) calendar weeks. If the Employee remains unfit to work at the end of such twelve (12) calendar weeks, he may use accumulated sick pay.

G. Maximum Limits. If the Employee has not returned to duty by the end of a thirty-six (36) consecutive month period, the Employee shall be dropped from employment and all seniority rights shall be forfeited.

H. After Care. Once released to return to work the Employee will be allowed three (3) hours or less for any doctor recommended after care appointments/treatment related to the occupational injury without affecting his regular pay. The Employee will notify his Supervisor of all appointments at least twenty-four (24) hours in advance and will provide documentation of the appointment upon his return to work.

B. **Accrual.** All Employees shall receive two (2) weeks vacation beginning in the year following their first anniversary with the Company. All Employees shall receive three (3) weeks vacation beginning in the year following their fifth anniversary with the Company. All Employees shall receive four (4) weeks vacation beginning in the year following their tenth anniversary with the Company. All Employees shall receive five (5) weeks vacation beginning in the year following their eighteenth anniversary with the Company.

C. **Formula.** Vacations shall be adjusted to begin in conjunction with days off and shall take precedence over personal leaves of absence. The formula for determining the beginning of vacations is as follows: Vacations shall be bid with Monday-Friday as scheduled work days. If actual days off are Wed./Thurs., Thurs./Fri., or Fri./Sat., vacation days shall be adjusted backwards. If actual days off are Sun./Mon. or Tues./Wed., the vacation days shall be adjusted forward.

D. **Block/DAT Declaration.** An initial vacation declaration round will be held prior to the first round of block week bidding. The purpose of the declaration round is for agents to declare the number of block and/or DAT weeks for the coming year. The declaration round shall be open for at least ten calendar days and will close at least five calendar days before the first round of block week bidding begins. The declaration round will begin no later than October 15th of each year. Employees who fail to bid during the declaration round will automatically be given all block weeks. Vacation periods for the following year, as determined by the declaration round, shall be posted for bid no later than November 1 of each year. The Employee’s vacation period shall be determined by bidding by classification seniority within his job classification. The bidding process will be completed no later than December 15. Employees transferring into a location cannot disrupt the vacation schedule already bid, but may exercise their seniority at that time to bid for whatever periods are available.

1. **Block week formula.** The Company shall determine the number of blocks available each week in each classification at each location by dividing the number of block weeks bid in the declaration round for each classification at each location by 52 and rounding to the nearest whole number, with a guarantee of a minimum of one block week per week. In cases where the number is rounded down, the number of additional weeks will be determined by multiplying the remainder by 52 and rounding up. This number of weeks will be made available on the bid. The bid will also include as many extra weeks as is operationally feasible.
Bidding Procedures. Vacations shall not be cumulative and must be taken within the calendar year for which the vacation was earned. An Employee’s vacation may be split (no period of less than five (5) days, except for the day at a time option outlined in Paragraph F of this Article), provided the Employee makes a request in writing to the Employee’s department manager prior to the close of the bid period. The Employee, after making a choice of his first period, shall not make a second choice until all first choices in his job classification have been awarded. However, if an Employee is unable to take his vacation due to a medical leave, on the job injury, or a Company request to defer vacations that is agreed to by the Employee, such vacation shall be rescheduled. If it cannot be rescheduled, the Employee shall be paid for this time.

F. Day at a Time (DAT) Vacation. The following guidelines shall control DAT vacations:
1. DATs will be set aside during the vacation declaration round.
2. If less than five (5) days of vacation are accrued, DATs may be taken.
3. Each bid of work schedules provided in Article Six, Section 1, Paragraph D, shall include an appropriate number of days available for DAT vacations. The appropriate number of DAT days shall be calculated by dividing the total number of DAT days after the completion of the vacation declaration by three hundred sixty-three (363). The resulting number (rounded up to the nearest whole number) will be the DAT days available per day.
4. DAT bids shall be awarded based on classification seniority.
5. Employees may request a DAT day at any time after the bid closes, but DAT days in excess of the allotted daily amount or DAT days requested with less than 24 hours notice shall be awarded at the discretion of management.
6. Payment for DAT days not taken shall be permitted for one five day block of DAT days per year, provided the Employee gives two (2) weeks written notice prior to the closing of the next pay period.
7. All remaining DAT days not taken shall be paid on the last pay period of the year.

G. Compensation Allowance. Employees leaving the Company shall be paid all unused, accrued vacation so long as the Employee gives two (2) weeks notice of resignation.

H. Beneficiary Allowance. When an Employee dies, all unused, accrued vacation shall be paid to the surviving spouse or the Employee’s estate.

I. Advance Payment. Employees can obtain their vacation pay in advance if they make application to their manager at least two (2) weeks prior to starting their vacation.

J. Established Schedules. Once vacation schedules are established, they shall not be changed, except by mutual agreement between the Company and the Employee.

K. Vacation Protection. The Company shall not mandatory an Employee to work on his days off immediately prior to, during, or immediately after his vacation.

The impacted Employees shall file a preferential bid, listing, in order of the Employee's preference, relocation, reduction, or furlough as soon as possible, but in any event such filing shall be made within five (5) days of the receipt of the furlough notice. Furloughed Employees shall have preference over permanent bids for any vacancies in their classifications.

E. Relocation by Seniority. The Company shall examine all preferential bids filed by impacted Employees and resolve the relocations in order of seniority and preferences expressed.

3. If they do not return on the date specified, which date shall not be less than fifteen (15) days after notice to return is sent by certified mail or telegram to the last address filed with the Company.
H. **Recall/Return Rights.** Employees furloughed/relocated shall be recalled in the order of their seniority at the time of reduction in force. No vacancy shall be considered to exist at a location until all furloughed Employees eligible to fill the vacancy at that location have been recalled and all Employees required to relocate from there because of the reduction have been afforded the opportunity of returning. Employees on furlough who desire to be considered for recall at other than the city from which furloughed must file a permanent bid for that location with the appropriate Vice President.

I. **Seniority Accrual.** Employees furloughed due to a RIF shall continue to accrue seniority.

F. **Extension of Time Frames.** It is understood and agreed that, at any step of the factfinding or grievance procedure, the time limits set forth may be extended by mutual agreement between the Company and the Union, in writing. Further, in the event either party, due to circumstances beyond the reasonable control of such party, does not become aware of, or is prevented from disclosing, facts or circumstances which would give rise to either a factfinding or a grievance, the time frame for pursuing such factfinding and/or grievance shall be extended as appropriate. If an Employee makes himself unavailable (other than on his regularly scheduled days off) to work his full shift on his last scheduled workday within the time frames under the fact finding procedures and paragraph H of this article, the Company may issue the notice/letter to the Employee upon his first full day returned to work.

G. **Fact-Finding Procedures.** No covered Employee shall be subject to discipline involving loss of pay or discharge without first having the benefit of a factfinding, with the right to have a Union representative present, in accordance with the following procedures:

1. **No Suspension.** In circumstances where no suspension is imposed:

   a. The Employee shall be advised, in writing, with a copy to the local representative of the Union, of the nature of the factfinding not later than ten (10) calendar days from the time the Company becomes aware of the incident concerning which the factfinding shall be convened.

   b. The factfinding shall be held within five (5) calendar days from the date such notice is given to the Employee and the local representative of the Union; and
c. The Company shall render its decision (inclusive of any discipline), in writing to the Employee, within five (5) working days after completion of the factfinding, and a copy of the decision shall be delivered to the local representative of the Union.

2. Suspension. Notwithstanding the foregoing, the Company may suspend a covered Employee pending a factfinding and/or until such time as the decision of the Company resulting from the factfinding is rendered, subject to the following conditions:

a. The suspension shall be a paid suspension;

b. The basis for the suspension shall be reduced to writing and presented to the Employee and the local representative of the Union within two (2) working days of the suspension;

c. The factfinding shall be held within three (3) working days of the presentation of the written notice of the basis for suspension; and

d. The Company shall render its decision (inclusive of any discipline), in writing to the Employee, within five (5) working days after completion of the factfinding, and a copy of the decision shall be delivered to the local representative of the Union.

H. Other Disciplinary Procedures. Letters of warning or reprimand not involving loss of pay or discharge shall be issued no later than five (5) working days from the time the Company has full knowledge of the incident.

I. Retention. All letters of reprimand or warning shall be removed from an Employee's file after twelve (12) months have elapsed from the date of such letter.

J. Administrative Discharge.

1. The Company will notify, in writing, any Employee failing to return to duty from a thirty-six (36) month leave of absence, that he is deemed to have resigned his employment and forfeited all seniority rights.

2. Any Employee who is absent without calling in for three (3) consecutive days shall be terminated without the benefit of a factfinding. The Employee shall be considered unavailable and shall be notified of his termination by certified mail, return receipt requested, to the Employee's last known address on file, with a copy to the Union. The Employee shall be deemed to have received such notice three (3) working days after such notice is sent.

K. Representative Grievance Investigations. Local Representatives shall be permitted, after reporting to local management, a reasonable amount of time during working hours to investigate or present grievances, provided that work assignments shall have priority. Union representatives shall not suffer a loss of pay as a result of investigating or presenting grievances at the representative's home station. The Union shall compensate representatives for time spent at stations other than the representative's home station.

L. Interpretation/Application of Agreement. In the event of a grievance arising over the interpretation of, or application of, this Agreement, or in the event of disciplinary action other than discharge, the following steps shall apply. However, if the action involves discharge or a Union grievance concerning a change in Work Rules, it shall proceed to sub-paragraph 3, below. Decisions made pursuant to Steps 1 through 3, below, shall not constitute precedent of any kind unless agreed to, in writing, by the Union and the Company.

1. Step 1/Department/Assistant Manager ("Manager"). If an Employee is unable to resolve his grievance through his supervisor, within ten (10) calendar days of the occurrence of the circumstances in question, the grievance shall be summarized in writing and presented to the manager or his designee. At any meeting to discuss same, the Employee may be accompanied by his local representative. The manager or his designee shall issue a written decision upholding or denying the grievance within five (5) working days.
2. **Step 2/Station/Provisioning Manager ("Manager").** If the decision of the Department/Assistant manager is unsatisfactory, the Employee or his representative may appeal the grievance to the Manager, or in the event of his absence his designee, within five (5) working days. The appeal of the grievance shall be signed by the Employee and his elected representative and presented to the Manager. The Manager shall issue a written decision upholding or denying the grievance within five (5) working days. Copies of the Manager's decision shall be forwarded to the Employee and the Union Office.

3. **Step 3/Employee Resources or designee.** If the decision of the Station/Provisioning Manager is unsatisfactory, the District Representative/designee of the Union may appeal the grievance to Employee Resources or designee, provided that such appeal is presented, in writing, within ten (10) working days after receipt of the Station Manager's decision. The grievance shall be answered, in writing, to the District Representative/designee of the Union by Employee Resources or designee within ten (10) working days of receipt of the grievance.

4. **System Board of Adjustment.** If the decision of Employee Resources or his designee is not acceptable to the District Representative/designee of the Union, the Union shall notify the Company, within ten (10) working days of receipt of Employee Resource's or his designee's decision, of its intent to have the grievance reviewed by the System Board of Adjustment. It is understood and agreed that the decision of the System Board of Adjustment shall be final and binding on both the Company and the Union.

5. **System Board/Function and Jurisdiction.** The functions and jurisdiction of the Board shall be as fixed and limited by this Agreement. It shall have no power to change, add to, or delete its terms. It shall have jurisdiction only to determine issues involving the interpretation or application of this Agreement, and any matter coming before the Board which is not within its jurisdiction shall be returned to the parties without decision or recommendation. In the event any disciplinary action taken by the Company is made the subject of proceedings, the Board's authority shall, in addition to the limitations set forth herein, be limited to the determination of the question of whether the Employee(s) involved were disciplined for just cause. If the Board finds that the penalty assessed by the Company was arbitrary or unreasonable, it may modify or remove that penalty.

6. **System Board Time Frames.** The System Board of Adjustment shall convene within fifteen (15) working days from the time the Union notifies the Company.

7. **Make-up of Panel.** For purposes of this Article, the System Board of Adjustment panel shall consist of four (4) members, two (2) of whom are selected by the Company and two (2) of whom are selected by the Union.

8. **Panel Member Cost.** It is expressly understood and agreed that the cost of each panel member of the Board of Adjustment shall be borne by the party who selected him. Any witnesses who may be required to be present at the hearing shall be released from their duties with no loss of pay. A witness shall be compensated for loss of pay by the party who has called him as a witness.

9. **Agreeable Location.** All System Board hearings shall be convened in Dallas or at a mutually agreeable location. The Company shall provide positive space passes for all necessary Employees.

10. **System Board Results.** The System Board of Adjustment shall send its decisions, in writing, to the Union Office and the appropriate department Vice President within three (3) working days.

11. **System Board Deadlock.** Should the System Board of Adjustment deadlock or fail to make a decision, the President/designee of the Union shall notify the Company, within five (5) working days of such deadlock or such failure, whether Arbitration is requested. If the System Board of Adjustment deadlocks or fails to make a decision on the determination of a time frame violation and arbitration is subsequently requested, the entire case shall proceed to arbitration. The Arbitrator shall hear and rule upon the time frame issue first and, if applicable, decide the remainder of the case without remand to the System Board of Adjustment.
12. **Arbitration List.** A panel of Arbitrators is hereby established for the purpose of adjusting and deciding disputes or grievances which may arise under the terms of this Agreement and which are properly submitted following a System Board of Adjustment. The following rules and procedures shall apply:

   a. The panel will consist of eight (8) mutually acceptable Arbitrators, four (4) to be selected by each party. Arbitrators will be set in order, and used in turn as cases are requested. If the Arbitrator scheduled to hear the case is not available within sixty (60) calendar days from the arbitration request, the next Arbitrator up on rotation will be contacted to hear the case. This procedure shall continue until an Arbitrator is available within the aforementioned time constraints.

   b. Arbitrators selected for the panel shall serve for the duration of the Agreement; however an Arbitrator may be removed from the panel by a unilateral decision of either of the parties to the Agreement. Should any member be removed, or be unable to serve for the remainder of the length of the Agreement, the party who originally selected the Arbitrator will name a mutually acceptable replacement. Once an Arbitrator is removed from the panel he cannot be returned to the panel for the duration of this Agreement.

13. **Expedited Arbitration.** By mutual consent of the Union and the Company, expedited Arbitration may be used as follows:

   a. The Arbitrator shall be selected from the panel in turn within five (5) working days of the expedited arbitration request;

   b. A hearing shall be convened within fifteen (15) working days of the selection of the Arbitrator;

   c. No post hearing briefs shall be filed;

   d. A decision shall be rendered within ten (10) working days of the close of the hearing; and

   e. If the Arbitrator selected to hear the case advises that he is unable to comply with the requirements under this paragraph, the next Arbitrator up on the rotation will be contacted to hear the case. This procedure shall continue until an Arbitrator advises that he is able to comply with the requirements of this paragraph.

14. **Arbitration/Function and Jurisdiction.** The functions and jurisdiction of the Arbitrator shall be as fixed and limited by this Agreement. He shall have no power to change, add to, or delete its terms. He shall have jurisdiction only to determine issues involving the interpretation or application of this Agreement, and any matter coming before the Arbitrator which is not within his jurisdiction shall be returned to the parties without decision or recommendation. In the event any disciplinary action taken by the Company is made the subject of proceedings, the Arbitrator's authority shall, in addition to the limitations set forth herein, be limited to the determination of the question of whether the Employee(s) involved were disciplined for just cause. If the Arbitrator finds that the penalty assessed by the Company was arbitrary or unreasonable, he may modify or remove that penalty.

**SECTION TWO**
MANAGEMENT GRIEVANCE

The Company has the right to file a grievance against the Union. Such grievance shall be proper when filed by the appropriate Vice President with the President of the Union, who shall provide a written answer within ten (10) working days. If the answer is unsatisfactory, the Company may appeal the grievance to the System Board of Adjustment within ten (10) working days following receipt of the Union's answer. In the event of a deadlock or if the System Board of Adjustment fails to render a timely decision, the grievance may be sent to arbitration, at the Company's option.
ARTICLE TWENTY-ONE
MOVING EXPENSES

A. **Transfer at Company Request.** Employees transferred as a result of the closing of an existing station or a reduction in force at a station shall be considered as being transferred at the Company's request. In order to avoid or lessen a reduction in force at an overstaffed station, the Company may first seek volunteers from that station to transfer to other stations designated by the Company. Any such volunteers shall be deemed, for the purposes of this Article, to have transferred at the Company's request.

B. **Voluntary Bid Transfer.** An Employee transferred from one station to another station as a result of a voluntary bid or request for a vacancy shall be considered as having transferred at his own request. An Employee so transferred from one station to another station at his own request shall bear his own expenses. The Company shall make space available transportation available to the Employee and members of his immediate family, Committed or Registered Partner. The Company, within reason, shall allow comat shipments of personal effects, subject to Federal security regulations.

Married Employees transferred at Company request shall be allowed actual moving expenses for household effects, including packing charges, up to a maximum 15,000 pounds for self and spouse or Committed/Registered Partner, plus 500 pounds for each dependant, unless prior approval is obtained from the Department Head.

D. **Moving Company.** The Company reserves the right to select which moving company shall move the household effects of the Employee.

G. **Off-Line Passes.** In conjunction with opening new stations, the Employee and spouse, Committed or Registered Partner shall be furnished, to the extent such passes are available, round trip, space available, off-line transportation to locate living accommodations in cities not served by the Company after the Employee has been awarded a transfer to the new station.
ARTICLE TWENTY-TWO
HOLIDAYS/FREEDAYS

A. **Freeday Allowance.** Each Employee covered hereunder shall be granted one (1) day with pay free of the Company during each month from January through October of each year. The day free of the Company shall be bid in conjunction with each shift bid.

B. **Restrictions/Requirements.** Each day of the month shall have at least one (1) A.M. and one (1) P.M. shift available for bid at each location and, where there are five (5) or fewer Employees in a classification at a location, at least one (1) shift per day shall be awarded based upon seniority. An Employee must have worked forty (40) hours, including LWOP time, during the month to qualify for a freeday. A new hire must have begun his employment prior to the 10th of the month and have worked forty (40) hours during the month to establish eligibility. An Employee who bids a freeday and becomes ill before working forty (40) hours in the month shall be paid for the freeday, provided his accumulated sick pay is sufficient to encompass the scheduled freeday. No covered Employee shall be required to work overtime on his freeday, but an Employee may elect to work on his freeday if he so desires.

C. **Holidays.** The following holidays shall be observed: Thanksgiving Day (November) and Christmas Day (December). These holidays shall be that day generally recognized as that holiday. All Employees shall receive a holiday bonus in an amount equal to their regular compensation rate, including premium and differentials, if applicable, for eight (8) hours. If the Company requires an Employee to work on a holiday, he shall be paid time and one-half according to his regular compensation rate for the first eight (8) hours, in addition to his regular holiday bonus rate, and triple time thereafter. An Employee scheduled to work on a holiday who does not report for work shall lose all pay for such holiday unless the absence is due to sickness or is excused.

D. **Additional Vacation Day.** If the Company-approved holiday (or day free of the Company) falls within an Employee’s vacation period, an extra day with pay shall be added to the Employee’s vacation in lieu of holiday bonus.

E. **Freeday Bid.** If any shift bid for more than one (1) calendar month is re-bid, Employees shall be allowed to re-bid affected freedays.
ARTICLE TWENTY-THREE
ATTENDANCE

A. **Purpose.** The Company and the Union recognize that habitual absenteeism and tardiness adversely affect operations and morale. The purpose of this program is to control the attendance of Employees in a constructive manner and within the framework of progressive disciplinary procedures. In order to avoid the accumulation of occurrences, it is recommended that, in the event Employees require time off, they should, to the degree possible, secure trades with other Employees, request vacation time, or, where appropriate, request a leave of absence. Using sick leave or sick pay for a purpose other than that intended constitutes abuse. Abuse of sick leave or sick pay shall warrant immediate termination.

1. **Reporting Procedure.** In all cases of absence or tardiness, the Employee shall call his supervisor. If the Employee is unable to call, he shall cause someone to call in his stead. Answering machines at the stations can also be utilized.

2. **Requirements of Reporting.** Call-ins must be made at least one-half (½) hour before the start of the Employee's shift on every day that the Employee shall be absent. Failure to report an absence at least one-half (½) hour prior to the start of the Employee's shift shall be treated as unreported. Failure to report a tardy before the beginning of a shift shall be treated as an Unreported Tardy. No tardiness shall be charged until two (2) minutes have passed from the Employee's scheduled starting time. If an unusual condition exists that would make it impossible for the Employee to report an absence or tardy within the required time frames before his shift, a valid reason must be furnished. If no valid reason is furnished, the penalty for an unreported occurrence shall be assigned. If an Employee can provide doctor's verification in advance of a specific duration of absence, the requirement to call in each day shall be waived by the appropriate manager.
SECTION I
ATTENDANCE PROGRAM

DEFINITIONS

A. **No Show.** (Unreported Absence). Any Employee who is scheduled for regular work, overtime, training, trades, or holidays and does not report his absence as outlined in the "Requirements of Reporting" section of this program shall be charged with a No Show (Unreported Absence). B. **Reported Personal Absence.** (Personal Business). Any Employee providing at least one hour prior notice that he shall not report to work for whatever reason, other than his personal illness, shall be charged with a Reported Personal Absence (Personal Business).

C. **Reported Illness.** (Non Chargeable). Four (4) doctor statements per calendar year shall be allowed for any Employee calling to report that he shall not report to work because of his personal illness/injury. No more than one (1) doctor statement shall be accepted for any Employee during the period from November 1 through and including January 3.

There shall be no charge to an Employee’s attendance record in the event such Employee suffers a relapse of the same medical condition for which the Employee utilized a doctor’s statement, provided:

i. The verified relapse occurs no later than three (3) days following the Employee’s return to work; and

ii. Such absence is verified by the same doctor or medical facility who treated the Employee for the original illness/absence and which documents in the statement that the Employee has suffered a relapse.

The doctor’s statement which confirms the relapse must be furnished to the Company on the Employee’s first day back to work and will not be charged as one of the Employee’s four (4) doctor’s statements allowed annually.

1. **Doctor Statement.** An Employee utilizing a doctor's statement to excuse his absence must furnish it to local management on his first day back to work. Upon receipt of the doctor's statement on the Employee's first day back, if the Employee has not utilized his allowable number of doctor’s statements under paragraph C. above, the absence shall be excused.

2. **Non Chargeable Occurrence.** If an Employee becomes ill and fails to complete his shift after working at least four (4) hours thereof, no charge shall be made to his record; however, he shall be charged for any similar failure within the succeeding six (6) month period.

3. **Statement Contents.** The doctor's statement for verification of an illness/injury must contain the following information or it shall be deemed unacceptable:

   1 - Inclusive date(s) of illness/injury (Must be included unless verified in writing by the doctor's office that the Employee contacted them and they were initially unable to treat due to scheduling)
   2 - Date(s) of treatment;
   3 - Date Employee can return to full duty; and
   4 - Doctor's signature.

D. **Reported Illness.** (Chargeable). 1. **Within 1/2 Hour Window.** If the Employee did not notify the local management that he was going to be late prior to his shift beginning, but notifies the local management within one-half (1/2) hour after the beginning of his shift, the Employee shall be allowed to report to work, provided he reports to work within one hour and thirty minutes (1:30) past the beginning of his shift. Otherwise he shall be sent home without pay and charged with a No-Show (Unreported Absence).

2. **Outside 1/2 Hour Window.** If the Employee is more than one-half (1/2) hour late and has given no notice to the local management that he shall report late, the Employee shall be sent home without pay and shall be charged with a No-Show (Unreported Absence).

F. **Reported Tardy.** Any Employee who calls prior to the start of his shift and reports that he shall be late or any Employee who calls within one-half (1/2) hour after the start of his shift because of an extreme or unusual circumstance shall be considered tardy. In this instance, the Employee should estimate the time he shall arrive at work. However, in no event shall the Employee be permitted to report more than two (2) hours after the start of his shift.

1. **Two (2) Hour Period/Fails to Report.** If an Employee calls reporting that he shall be late and fails to report to work within two (2) hours from the start of his shift without further notification to the local management of his intended absence, he shall be charged with a No-Show (Unreported Absence).

2. **Two (2) Hour Period/Reports.** If however, the Employee provides notification to local management within this two (2) hour period, he shall be charged with a Reported Personal Absence.

The Employees covered hereunder shall continue to be included in the Southwest Airlines Co. 401(k) plan, subject to the terms thereof, to which the Company shall agree to make a matching contribution in the amount set forth below. Effective the next full pay period following ratification of this Agreement, with respect to all Employees covered hereunder, the Company agrees to contribute one dollar ($1.00) for each one dollar ($1.00) of the Employee's pre-tax contribution, not to exceed eight and three/tenths percent (8.3%) of the Employee's compensation, as defined in the 401(k) plan. In the event that any portion of an Employee's pre-tax contribution to the 401(k) plan shall be distributed to the Employee, as a result of the failure of such 401(k) plan during any plan year to pass the actual deferral percentage test, such distribution shall not affect the amount of matching contribution payable with respect to such Employee; rather, the matching contribution shall be calculated by reference to the entire pre-tax contribution of the Employee, prior to any such distribution. The determination of whether or not the 401(k) plan has failed the actual deferral percentage test for any plan year, and of the amount to be distributed to an Employee in order to correct such failure, shall be made by the Company, whose determination in that regard shall be binding on all parties hereto.

A decision shall be deemed final when time for appeal has expired.

1. An Employee discharged by the Company under the provisions of this Paragraph shall be deemed to have been "discharged for just cause," within the meaning of the terms and provisions of this Agreement.

2. It is agreed that the Company shall not be liable for any time, wage, or other claims of any Employee discharged by the Company pursuant to a written order by any authorized Union representative under the terms of this Paragraph.

F. Provided the Company has received the "check-off form," prepared and furnished by the Union and executed by the Employee, the Company shall deduct the Employee's dues, as determined by the Union, from the Employee's wages and remit same to the Union.

Date of Ratification: December 5, 2002
SOUTHWEST AIRLINES CO., a Texas corporation (the “Company”), hereby formulates and adopts the following 2002 Ramp, Operations, Provisioning and Freight Non-Qualified Stock Option Plan.

2. Administration. This Plan shall be administered by an Administrative Committee (the "Committee") consisting of not more than five (5) persons designated from time to time by the Chief Executive Officer of the Company. Members of the Committee may be removed or replaced at any time by the Chief Executive Officer of the Company. The Administrative Committee shall select one of its members as Chairman and shall adopt such rules and regulations as it shall deem appropriate concerning the holding of its meetings, the transaction of its business and the administration of this Plan. A majority of the whole Committee shall constitute a quorum, and the act of a majority of the members of the Committee present at a meeting at which a quorum is present shall be the act of the Committee; any decision or determination reduced to writing and signed by a majority of the members of the Administrative Committee shall be fully as effective as if made by a majority vote at a meeting duly called and held.

(a) Persons Eligible. The Stock Option Committee of the Board of Directors of the Company, or such other committee as may be appointed by the Board, shall have the authority and responsibility, within the limitations of this Plan, to grant options from time to time to persons employed as Ramp, Operations, Provisioning or Freight Agents by the Company pursuant to the Agreement, or to Supervisory Employees in the Ground Operations or Provisioning Departs., all as set forth in the schedule attached as Exhibit A and made a part hereof. Only persons who are employed as Ramp, Operations, Provisioning of Freight Agents of the Company on the date of the grant may by granted options under this Plan, or at the option of the Company, Supervisory Employees in the Company’s Ground Operations and Provisioning Dept.; under no circumstances shall officers of the Company be eligible to receive options hereunder.

(b) Grant Price. Options shall be granted at an exercise price equal to the fair market value of the Common Stock of the Company on the date of the grant of the option with initial grants on the date of ratification of Letter of Agreement No. Ten.

(c) Southwest Airlines Employees Joining the TWU. Southwest Airlines Employees who enter the work force subject to the Agreement without a break in company service and who are participants in another stock option (an “existing plan”) will retain any vested and unexercised options granted with such existing plan. The Employee must choose to either retain unvested stock option grants established in accordance with such existing plan (if permitted by such other plan), or will receive grants in accordance with this Plan, whichever is chosen by the Employee involved, but the Employee shall not hold grants under both plans simultaneously (other than vested and unexercised options in such existing plan). The Employee must make the election prior to the scheduled grant date for options under this Plan. If the Employee does not make a timely election, options previously granted will remain in effect, and no grant will be made under this Plan. Exercise of options will be done in accordance with the Plan under which they were awarded. At such time as the Employee no longer holds any vested or unvested options under the other existing plan, the Employee will receive an initial grant under this Plan on the next scheduled grant date. Employees who entered
the TWU workforce prior to the initial grant date of options under this Plan must make the election within 60 days of the date of ratification of the Agreement.

(d) **Transferring to Another Work Group.** If an Optionee transfers to another work group (other than supervisory, management, or union position related to the functions covered by this Agreement), any unvested portion of any option granted in accordance with this Plan, shall automatically and without notice terminate and become null and void as of the first day such Optionee is on the payroll for such position. Any vested and unexercised portion of any such option shall remain exercisable under this Plan.

4. **Definitions.** An Employee receiving any option under this Plan is referred to herein as an “Optionee.” Any reference herein to the employment of an Optionee with the Company shall include only employment with the Company. The fair market value of the Common Stock on any day shall be the mean between the highest and lowest quoted selling prices of the Common Stock on such day as reported by the primary national stock exchange on which such stock is listed. If no sale shall have been made on that day, or if the Common Stock is not listed on the national exchange at that time, fair market value will be determined by the Committee. If the date of grant is not a business day, the grant price will be calculated using the immediately preceding business day.

5. **Stock Subject to Options.** Subject to the provisions of paragraph 12, the number of shares of the Company’s Common Stock subject at any one time to options, plus the number of such shares then outstanding pursuant to exercises of options, granted under this Plan, shall not exceed 11,500,000 shares. If, and to the extent the options granted under this Plan terminate or expire without having been exercised, new options may be granted with respect to the shares covered by such terminated or expired options; provided that the granting and terms of such new options shall in all respects comply with the provisions of this Plan.

Shares sold or distributed upon the exercise of any option granted under this Plan may be shares of the Company’s authorized and unissued Common Stock, shares of the Company’s issued Common Stock held in the Company’s treasury, or both.

There shall be reserved at all times for sale or distribution under this Plan a number of shares of Common Stock (either authorized and unissued shares or shares held in the Company’s treasury, or both) equal to the maximum number of shares which may be purchased or distributed upon the exercise of options granted under this Plan.

Exercise of an Option in any manner shall result in a decrease in the number of shares of Common Stock which may thereafter be available, both for purposes of this Plan and for sale to any one individual, by the number of shares as to which the Option is exercised.

6. **Expiration and Termination of the Plan.** This Plan will expire on December 30, 2008, except as to any options then outstanding under this Plan, which shall remain in effect until they have been exercised or expired; except that this Plan will be terminated on December 30, 2007, upon delivery of notice by TWU 555 of its desire to make the Agreement amendable as of June 30, 2007, pursuant to Section 4 of Side Letter Ten.

No modification, extension, renewal or other change in any option granted under this Plan shall be made after the grant of such option unless the same is consistent with the provisions of this Plan.

7. **Exercisability and Duration of Options.**

(a) **Exercisability.** Options granted under this Plan shall become exercisable pursuant to the vesting schedule and requirement set forth in Exhibit A attached hereto.

(b) **Duration.** The unexercised portion of any option granted under this Plan shall automatically and without notice terminate and become null and void at the time of the earliest to occur of the following:

(1) November 1, 2012;
(2) The expiration of three months from the date of termination of the Optionee’s employment with the Company (unless such termination was as a result of the circumstances set forth in subparagraph (3) below; provided that if the Optionee shall die during such 3-month period the provisions of subparagraph (3) below shall apply; or

(3) The expiration of 12 months from the Optionee’s death, if the Optionee’s death occurs either during his employment with the Company or during the three-month period following the date of termination of such employment.

In the case of subparagraph (2) and (3) above, the Optionee shall have the right to exercise any Option prior to such expiration to the extent it was exercisable at the date of such termination of employment and shall not have been exercised.

8. Exercise of Options.

(a) Procedure. The option granted herein shall be exercised by the Optionee (or by the person who acquires such options by will or the laws of descent and distribution or otherwise by reason of the death of the Optionee) as to all or part of the shares covered by the option by giving notice of the exercise thereof (the “Notice”) to the Company. From time to time the Committee may establish procedures relating to effecting such exercises. No fractional shares shall be issued as a result of exercising an Option.

(b) Payment. In the Notice, the Optionee shall elect whether he or she is to pay for his or her shares in cash or in Common Stock of the Company, or both. If payment is to be made in cash, the Optionee shall deliver to the Company funds in the amount of the exercise price on or before the exercise date. If payment is to be made in Common Stock, (a) it shall be valued at its fair market value on the date of such notice, as determined pursuant to Paragraph 4 hereof; (b) such Common Stock must have been owned by the Optionee for at least six months prior to the exercise date; and (c) the Notice shall be accompanied by documentation as proof of ownership for the number of shares of Common Stock to be used as payment.

(c) Irrevocable Election. The giving of such notice to the Company shall constitute an irrevocable election to purchase the number of shares specified in the notice on the date specified in the notice.

(d) Withholding Taxes. To the extent that the exercise of any Option granted pursuant to this Plan or the disposition of shares of Common Stock acquired by exercise of an Option results in compensation income to the Optionee for federal or state income tax purposes, the Optionee shall deliver to the Company at the time of such exercise or disposition such amount of money as the Company may require to meets its obligation under applicable tax laws or regulations, and, if the Optionee fails to do so, the Company is authorized to (a) withhold delivery of certificates upon exercise and (b) withhold from remuneration then or thereafter payable to Optionee any tax required to be withheld by reason of such resulting compensation income.

(e) Delivery of Share. The Company shall cause shares to be delivered to the Optionee (or the person exercising the Optionee’s options in the event of death) as soon as practicable after the exercise date.

9. Nontransferability of Options. No option granted under this Plan or any right evidenced thereby shall be transferable by the Optionee other than by will or the laws descent and distribution. During the lifetime of an Optionee, only the Optionee (or his or her guardian or legal representative) may exercise his or her options.

In the event of the Optionee’s death during his or her employment with the Company, or during the three-month period following the date of termination of such employment, the Optionee’s options shall thereafter be exercisable by his or her executor or administrator, or
by the person who acquires such options by will or the laws descent and distribution or otherwise by reason of the death of the Optionee.

10. **Rights of Optionee.** Neither the Optionee nor his or her executors, administrators, or legal representatives shall have any of the rights of a shareholder of the Company with respect to the shares subject to an option granted under this Plan until certificates for such share shall have been issued upon the exercise of such option.

11. **Right to Terminate Employment.** Nothing in this Plan or in any option granted under this Plan shall confer upon any Optionee the right to continue in the employment of the Company or affect the right of the Company or any of its subsidiaries to terminate the Optionee’s employment at any time; subject, however, to the provisions of the Agreement.

12. **Adjustment Upon Changes in Capitalization, Etc.**

(a) The existence of the Plan and the options granted hereunder shall not affect in any way the right or power of the Board of Directors or the Shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of debt or equity securities ahead of or affecting Common Stock or the rights thereof, the dissolution or liquidation of the Company or any sale, lease, exchange or other disposition of all of any part of its assets or business or any other corporate act or proceeding.

(b) The shares with respect to which options may be granted are shares of Common Stock as presently constituted, but if, an whenever, prior to the expiration of an option therefore granted, the Company shall effect a subdivision or consolidation of shares of Common Stock or the payment of a stock dividend on Common Stock without receipt of consideration by the Company, the number of shares of Common Stock with respect to which such option may thereafter be exercised (i) in the event of an increase in the number of outstanding shares shall be proportionately increased, and the purchase price per share shall be proportionately reduced, and (ii) in the event of a reduction in the number of outstanding shares shall be proportionately reduced, and the purchase price per share shall be proportionately increased; likewise, the number of shares to be granted pursuant to the schedule set forth in Exhibit A shall be appropriately adjusted. In the event of any such change in the outstanding Common Stock, the aggregate number of shares available under the Plan shall be appropriately adjusted by the Board of Directors of the Company, whose determination shall be conclusive.

(c) If the Company recapitalizes or otherwise changes its capital structure, thereafter upon any exercise of an option theretofore granted the Optionee shall be entitled to purchase under such option, in lieu of the number of shares of Common Stock as to which such option shall then be exercisable, the number and class of shares of stock and securities to which the Optionee would have been entitled pursuant to the terms of the recapitalization if, immediately prior to such recapitalization, the Optionee has been the holder of record of the number of shares of Common Stock as to which such option is then exercisable. If the Company shall not be the surviving entity in any merger or consolidation (or survives only as subsidiary of an entity other than a previously wholly-owned subsidiary of the Company) or if the Company is to be dissolved or liquidated, then unless a surviving corporation assumes or substitutes new options for Options then outstanding hereunder (i) the time at which such Options may be exercised shall be accelerated and such Options shall become exercisable in full on or before a date fixed by the Company prior to the effective date of such merger or consolidation or such dissolution or liquidation, and (ii) upon such effective date Options shall expire.

(d) Except as hereinbefore expressly provided, the issuance by the Company of shares of stock of any class or securities convertible into shares of stock of any class, property, labor or services, upon direct sale, upon the exercise of rights or warrants to subscribe therefore, or upon conversion of shares of obligations of the Company convertible into such shares or other securities, and in any case whether or not for fair value, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number
of shares of Common Stock subject to options theretofore granted or to be granted or the purchase price per share.

13. **Purchase of Investment and Legality.** The Optionee, by acceptance of any option granted under this Plan, shall represent and warrant to the Company that the purchase or receipt of shares of Common Stock upon the exercise thereof shall be for investment and not with a view to distribution, provided that such representation and warranty shall be inoperative if, in the opinion of counsel to the Company, a proposed sale or distribution of such shares is pursuant to an applicable effective registration statement under the Securities Act of 1933 or is, without such representation and warranty, exempt from registration under such Act. The Company shall file a Registration Statement on Form S-8 pursuant to the Securities Act of 1933, as amended, covering the shares to be offered pursuant to the Plan and will use its best efforts to maintain such registration at all times necessary to permit holders of options to exercise them.

The obligation of the Company to issue shares upon the exercise of an option shall also be subject as conditions precedent to compliance with applicable provisions of the Securities Act of 1933, the Securities Exchange Act of 1934, state securities laws, rules and regulations under any of the foregoing and applicable requirements of any securities exchange upon which the Company’s securities shall be listed.

The Company may endorse an appropriate legend referring to the foregoing restrictions upon the certificate or certificates representing any shares issued or transferred to the Optionee upon the exercise of any option granted under this Plan.

14. **Effective Date of Plan: Amendments.** This Plan shall become effective upon its adoption by the Board of Directors of the Company; provided, however, if the Agreement is not ratified by TWU on or before December 30, 2002, this Plan shall be null and void.
