

APPLICATION FOR HONORARY MEMBERSHIP IN TRANSPORT WORKERS UNION

I, _____, am a member in good standing in the Transport Workers Union of America ("TWU"). I am a member of Local _____. I have reached the decision to retire because of [age] [disability] (choose one of these two by circling it). In accord with Article XIII Section 9(b) of the TWU Constitution, I am hereby applying for honorary membership in TWU. It is my understanding that this honorary membership will last for the rest of my lifetime, when granted, so long as I remain retired. In the event that I return to regular full-time employment, if that employment would make me eligible for membership in TWU I will be reinstated to membership in TWU without payment of fee, and will resume my status as a regular dues paying member; if, however, such employment would not make me eligible for membership in TWU, my honorary membership is subject to cancellation by action of the Local Union of which I have been a member (Local _____). I understand that, upon approval of this application by TWU, TWU will issue an honorary membership card to me, subject to the Constitutional provisions set forth above.
